## General Fund Financial Update

June 30 marks the end of our fiscal year. We have a need in the general fund of \$30,000 to close the year in the black. Would you please prayerfully consider how the Lord might use you to help with this need. Thank you for your continued faithful support of JVCS.

## Lawn Mowing Volunteers Needed

Volunteers are needed to mow the school yard. We would like to have the mowing done on Thursday or Friday each week. If you are willing to help, please call the office at 352-7737 to sign up for the week that works for you.

You do not need to have your own lawn mower. The school has three riding mowers for your use. The job takes about 10-12 hours if one person is working. Put together a crew of two or three (with at least one adult) to help with this much needed project.

The new playground equipment is scheduled to be delivered this coming week. This new set is a 42 X 41 foot structure and includes a slide, climbing areas, a bridge, stairs, multiple landings, tic-tac-toe and many other play areas. The children will certainly enjoy this equipment at recess time.

We would like to have a work day to assemble the set later this week. Please call the school for details if you would like to help with this project.

Funds continue to come in for the playground set. If you would like to make a donation, please send your check to JVCS and designate the playground fund.
